#### **BACKGROUND INFORMATION**

Bids were received for the Bradley Middle School Re-Roofing and Roof Related Work Project on March 25, 2010 (2:00 p.m.) in Room 317 of the North East Education Center. The consulting firm of Wiss, Janney, Elstner Associates (WJE), Inc. was employed as the professional team for this project. The 2007 Bond Program includes funding to replace selected roofed areas at twelve (12) District facilities as part of the District's planned Roof Replacement Program. Facilities included in the 2007 Bond Roofing Construction Program include: El Dorado, Montgomery, Northern Hills, Regency Place, Serna, and Thousand Oaks Elementary Schools; Bradley, Krueger, Nimitz, and White Middle Schools, Lee High School, and the Old Central Office/Police Headquarters Administrative Facility. Typical roof life expectancies range from 20 to 30 years based upon several factors, which include: (1) quality of the roof product and construction installation, (2) wear and tear due to foot traffic for operations and maintenance access to rooftop equipment, and (3) long term weather conditions and resultant impacts. This project addresses the Bradley Middle School Roof Replacement and Roof Related Work Project which includes a roof replacement area of 46,238 sq. ft.
