### CONSENT ITEM

#### **BACKGROUND INFORMATION**

Bids were received for the Driscoll Middle School Re-Roofing and Roof-Related Work Project on February 17, 2011 (2:00 p.m.) in Room 317 of the North East Education Center. The consultant firm of WJE Associates, Inc. was employed as the professional team for this project. The Qualified School Construction Bond Program (QSCB) includes funding to replace selected roofed areas at ten (10) District facilities as part of the District's planned Roof Replacement Program. Facilities included in the QSCB Roofing Construction Program include: Hidden Forest, Larkspur, Northwood, Olmos and Redland Oaks Elementary Schools; Bradley, Driscoll and Nimitz Middle Schools; the Community Learning Center; and the Food Service Warehouse. Typical roof life expectancies range from 20 to 30 years based upon several factors, which include: (1) quality of the roof product and construction installation; (2) wear and tear due to foot traffic for operations and maintenance access to rooftop equipment; and (3) long-term weather conditions and resultant impacts. This project addresses the Driscoll MS Roof Replacement and Roof-Related Work Project which includes a total roof replacement area of approximately 105,242 sq. ft.

#### **ADMINISTRATIVE CONSIDERATION**

This is an approved QSCB project.

#### **BUDGETARY CONSIDERATION**

Funds for this project were included in the Qualified School Construction Bond Sale (\$37,545,000.00) of November 2010. The total QSCB Bond roofing construction program budget (10 facilities) equals \$9,775,000.00. The Board-approved construction budget for the Driscoll Middle School Roofing Project totals \$2,325,000.00. Bid costs for the project equal \$1,492,952.00.

#### **RECOMMENDATION**

The Executive Director of Construction Management and Engineering, Senior Director of Engineering, Project Consultant, and District staff recommend that the District contract with Port Enterprises, LTD for a total cost of \$1,492,952.00 for the Driscoll Middle School Re-Roofing and Roof-Related Work Project. It is further recommended that the Board of Trustees grant the Superintendent, Associate Superintendent for Business Services and Operations and Executive Director for Construction Management and Engineering authority to execute the contract.

#### **BOARD ACTION REQUIRED**
