### ACTION ITEM

#### **BACKGROUND INFORMATION**

The 2015 Bond Program includes funding at Reagan High School to construct Fine Arts and JROTC Facility Additions and Renovations. The bond program will provide for construction of the following program elements:

(1) Fine Arts Facility Addition and Renovations with a 2<sup>nd</sup> band rehearsal hall, band office, and band storage area; 2<sup>nd</sup> orchestra rehearsal hall, orchestra office, and orchestra storage area; and shared ensemble room. The Fine Arts Facility Addition will be constructed adjacent to the existing band and orchestra program areas to provide connectivity between the existing band and orchestra program areas and new fine arts facilities. The design program for Fine Arts Facility Addition equals 7,400 sq. ft. of facility improvements along with civil engineering site work, site utilities, drainage, landscape, irrigation, and hardscape to complement the new facility addition.

(2) New JROTC Facility Addition with cadre and cadet offices with workroom, 2 classrooms with operable folding accordion partition, drill and arms room storage, supply room, men's and women's locker rooms, laundry room, ice machine room, 8-lane rifle range with observation area and bleacher seating, and facility entry lobby. The JROTC Facility Addition will be constructed adjacent to the existing JROTC drill marching pad. The design program for the JROTC Addition equals 12,700 sq. ft. of facility improvements along with civil engineering site work, site utilities, drainage, landscape, irrigation, and hardscape to complement the new facility addition.
