### CONSENT ITEM

#### **BACKGROUND INFORMATION**

Bids were received for the 2015 Bond Serna Elementary School Re-Roofing and Roof-Related Work Project on May 24, 2016 at 2 PM in Room 317 of the North East ISD Richard A. Middleton Education Center. The consulting firm of WJE Engineers was employed as the professional consulting team for this project. The 2015 Bond Program includes funding to replace selected roofed areas at seven (7) District facilities as part of the District's planned Roof Replacement Program. Facilities included in the 2015 Bond Roofing Construction Program include: Lee High School; Krueger Middle School; and Clear Spring, Northwood, Ridgeview, Serna, and Stahl Elementary Schools. Typical roof life expectancies range from 20 to 30 years based upon several factors, which include: (1) quality of the roof product and construction installation; (2) wear and tear due to foot traffic for operations and maintenance access to rooftop equipment; and (3) long-term weather conditions and resultant impacts. This project addresses the Serna Elementary School Roof Replacement and Roof-Related Work Project, which includes a total roof replacement area of 8,950 square feet.

#### **ADMINISTRATIVE CONSIDERATION**

This is an approved 2015 Bond Project under the District Operations category.

#### **BUDGETARY CONSIDERATION**

Funds for this project are included in the 2015 Bond Program. Use of a Reimbursing Resolution to fund project requirements will be implemented until proceeds of the 2015 Bond Program are available in the summer 2016 timeframe. The Board-approved construction budget for the Serna Elementary School Re-Roofing and Roof-Related Work Project totals \$227,275.00. Total bid costs for this project equaled \$182,000.00.

#### **RECOMMENDATION**

The Executive Director of Construction Management and Engineering, Senior Director of Engineering, District staff, and project consultant recommend that the District contract with Turner Roofing Co. at a total bid cost of \$182,000.00, including Alternate #1, to execute the Serna Elementary School Re-Roofing and Roof-Related Work Project. It is further recommended that the Board of Trustees grant the Superintendent, Associate Superintendent for Operations, and the Executive Director of Construction Management and Engineering authority to execute the contract.

#### **BOARD ACTION REQUIRED**
